

PAST QUESTIONS AND ANSWERS SAMPLE

This is a sample past questions and answers from [ISMYSCHOOL.NET](https://www.ismyschool.net).

The Sample only contains two pages:

- The first page will contain some of the past questions from a particular year from the school.
- The Second page will contain either some of the answers or all the answers for the particular year from which the sample questions was used.

If you want to get the full past questions and answers which contains more than 5 years (can be more than or less depending on the school); follow the instructions on the last page.

25. Test your servants for ten days; let us be given vegetables to eat and water to drink..." In the statement above Daniel was talking to

A King Darius B the chief of the eunuchs C the steward of the chief eunuch D king Artaxerxes

ANAMBRA STATE UNIVERSITY

BATCH B 2012 POST UTME (AFTERNOON PAPER 31ST JULY 2012.

Instruction: Answer all Questions in this section

Read the following passage carefully and answer the questions that follow

Millions of people today are in serious "debt". This debt can be a major factor in wrecking their cars, damaging their careers, and even ruining their marriages. It can adversely affect their health and life-span. It is a deficit that contributes to immune suppression, creating susceptibility to various infections. Yet most victims are oblivious of the debt. The debtor is the one who does not have enough sleep needed for well-being. This can be caused by voluntary sleep deprivation resulting from a person's life style or by involuntary sleep deprivation because of illness and other causes. Medical researchers estimate that the earth's population is now getting, on the average, an hour less sleep per night than what is needed

The medical world once viewed the chronic inability to sleep as just one disorder commonly known as insomnia. However, a commission created by the US congress recognized 17 distinct sleep disorders. At any rate insomnia has many causes that it is often considered to be a symptom of other problems, much as fever suggests some sort of infection. Even occasional deprivation of sleep can be disastrous

What factors may contribute to lack of sleep? One is the social phenomenon often called 24/7 -operating 24 hours a day, seven days a week. The news paper, USA Today describes this a cultural earthquake that is changing the way we live, noting that a new wave of round the clock retailers and services is profiting by mocking the clock. In many lands, people watch all night television programmes and access the internet when they should be sleeping.

Many doctors note how difficult it is to get their patients to take sleep seriously. One doctor complained that even chronic fatigue is even considered "status symbol" by some. And because their condition often worsens very gradually, victims of sleep deprivation may not recognize that they suffer from a serious disorder. Reversing this sleep debt is a complex challenge. But understanding how a healthful sleep cycle works and learning to identify the signs of sleep debt can provide the motivation to change.

1. Which of the following is true according to the passage?

A lack of sleep is caused by either a person's lifestyle or involuntary sleep and not by both B. voluntary sleep deprivation can be attributed to the way in which individual lives C some illnesses cause sleep disorder which can be both voluntary and involuntary D Healthful sleep is need only for ones well-being

2. The passage suggests that

A medical doctors have found 17 distinct sleep disorders B inability to sleep was once considered to be chronic C. insomnia and fever are medical conditions that are indicative of other problems D. the US Congress has recognised that insomnia is a symptom of other problems.

3. The expression "... mocking the clock" as used in the passage captures the A phenomenon of retailers making a lot of profit because they operate at night B fact that retail business is a waste of time C. total disregard of time by retailers and services D fact the time available to retailers and services is not enough to do good business

4. In the first sentence of the passage the word "debt" is quoted because A. it has been used for a specific effect B. it has been used in the first sentence C. of the seriousness of the matter it addresses D it is capable of destroying people

5. From the passage doctors find it hard to convince their patients of the gravity of lack of sleep A. it is caused by a variety of reasons B the patients are often tired and cannot get enough sleep

C. people believe that it enhances one's personality D. Its impact on the patient is slow.

From the words lettered A-D Choose the Word that Best Fills in the Blank Spaces

23. Tunde says he always looks sober because there is nothing to be about.

I A. Serious B. excited C. happy D. witty .

24. I felt as if I was in an oven throughout my stay in the Sahara, while our room in Jos is like a
 A. freezer B. chimney C. ventilator D. furnace.
25. The secretary needs to run.....two hundred copies of the previous minutes for the next meeting.
 A. off B. on C. out D. over

MATHEMATICS MORNING 13//9/2011

1. Simplify $1 - (2\frac{1}{3} \times 1\frac{1}{4}) + \frac{3}{5}$ a. $-2\frac{31}{60}$ b. $-2\frac{7}{15}$ c. $-1\frac{19}{60}$ d. $-1\frac{1}{15}$
2. A farmer planted 5000 grains of maize and harvested 5000 cobs each bearing 500 grains. What is the ratio of the number of grains sowed to the number harvested.
 A. 1:500 B. 1:5000 C. 1:25000 D. 1:250,000
3. An unbiased die is rolled 100 times and the outcome is tabulated as follows:

Number

1
2
3
4
5
6

Frequency

13
15
22
14
20
16

What is the probability of obtaining 5? A. $\frac{1}{8}$ b. $\frac{1}{5}$ c. $\frac{1}{4}$ d. $\frac{1}{2}$

4. Simplify $(\sqrt{0.7} + \sqrt{70})^2$ A. 217.7 B. 168.7 C. 84.7 D. 70.7

5. By how much is the mean of 30, 56, 31, 55, 43 and 44 less than the median A. 0.55 B. 0.75 C. 0.17 D. 0.33

6. By how much is the mean of 30, 56, 31, 55, 43 and 44 less than the median a. 0.55 b. 0.75 c. 0.17 d. 0.33

7. A trader bought goats at N4000 each. He sold them for N180,000 at a loss of 25%. How many goats did he buy? A. 36 B. 45 C. 80 D. 60

8. In the diagram PST is a straight line $PQ = QS = RS$. If $\angle RST = 72^\circ$ Find x° A. 72° B. 36° C. 24° D. 18°

9. The triangle PQR is A. An isosceles triangle B. A scalene triangle C. An equilateral triangle D. An obtuse-angled triangle

10. The acres of rice, pineapple, cassava, cocoa and palm oil in a certain district are given respectively

How To Get The Full Past Question And Answer For **N1000**

Method 1 - Online Payment

If you have an ATM Card or Bank Account Number Visit <https://ismyschool.net/past-questions/#buy> to make the payment online.

Method 2: Bank Deposit Or Transfer

Transfer or make a bank deposit of **N1,000** to any of the **Company** official account details below:

Bank: GTBank (Nationwide)

Account Name: BENTENBLOG

Account Number: **0422509683**

Bank: First City Monument Bank (FCMB) (Nationwide)

Account Name: BENTENBLOG

Account Number: **4950590010**

After Payment, Send Your:

1. Name on Teller or Bank Account You Transferred From. E.g.: Emeka David
2. School e.g: UNILAG
3. Faculty or Course E.g : Social Sciences
4. Email Address, E.g.: youremail@gmail.com

To **08083123612**.

The PDF Past question and Answers will be sent to your email after confirming payment.

For any question or Inquiries, call **08083123612** or email us at support@ismyschool.net.
